In re the New U.S. Patent Application of

Eguchi et al.

Examiner:

Serial No.: (to be assigned)

Art Unit:

Date Filed:

Attorney Docket No.: 0022-3462

For: Multicast File Transmission Method

Attn: New Patent Applications
Commissioner of Patents
Washington, D.C. 20231

PRELIMINARY AMENDMENT

SIR:

Applicants, through their attorneys of record, are filing this Preliminary Amendment simultaneously with the filing of this application in order to correct a typographical error in the title.

IN THE TITLE:

Please change the present title, "MULTICAST FALE TRANSMISSION METHOD" to the following: – MULTICAST FILE TRANSMISSION METHOD – .

REMARKS

Applicants have submitted all filing materials for the above new U.S. patent application with the title, "Multicast File Transmission Method." It is clear that word "FALE" in the title on the first page of the application is a typographical error, and the this word should be corrected to "FILE" to be consistent with the rest of this application.

New U.S. Patent Application of Eguchi et al.
Attorney Docket No.: 0022-3462

It is believed that this is a simple correction of a typographical mistake and does not change the meaning of the title nor introduce any new matter to the application. The application now appears to be in better readiness for examination. Prompt processing to examination is respectfully solicited.

Dated: August 10, 2001

Respectfully submitted,
